# Rules

When entering age is to be taken at the 1st of January this year for solo, Duo, Trio and Quad entries. Entrants overage in any section will be immediately disqualified. Birth Certificates must be presented if requested.

Troupes will be average age. This means you add together the ages of your students at the 1st of Jan 2018, then divide by the number of students, and that will be the age of your troupe. Please note dancers will not be able to dance down more than one age group eg./ you can not dance in under 13 if you are open age.

Troupes will be grouped those sessions will have a door fee.

Troupe day also means the restriction of Dream Duffles. We have allowed each school to bring 1 duffle which is to be shared between 5 dancers. The use of portable racks does not come under this rule and are allowed to be used on this day without restriction. This rule is exempt from solo competition days.

The Committee has the right to ask for the removal of duffles if they believe a school has more than allocated.

All solo, duo, trio, quad sections will have no door fee but will incur a fee of \$25 for registration. (If you enter twice solo and duo please contact us for a refund of one fee)

Downloadable programs are \$5.

Please enter carefully as we will NOT swap student from the entered sections. The only exception is if a student places before our closing date at another comp we will move them from novice to open. NO other changes will be made so please do not ask.

NO entries will be accepted once the competition is closed.

A novice is a person who has not won a first, second or third at any competition in the type of sections he or she is entering. This is to be taken from 11.59pm on the closing date i.e./ if you send off your entry and you then receive a prize at another festival before MFD closing date you must email and notify.

Dance Troupes must have a minimum number of five. No vocals are allowed on track in Song & Dance/Tap sections while the competitor is singing (during dance acceptable).

The competitor is responsible for appearing in the order they have been programmed. If the competitor misses their number they will be able to appear at the end of the section for critique only. If the non-appearance is the fault of the festival the competitor will still be able to compete.

Competitors must provide their music on an iPod, Mp3 Player, CD or Laptop, NO USB's or Cassette Tapes are allowed.

We support safe dance practices and adhere to Child Safety Standards

Choreography and Costuming must be age appropriate

No routines are to be repeated (VCE & VET excluded). Competitors are to appear only once in any section.

The Committee reserves the right to combine sections if insufficient entries are received in any section.

Competitors and teachers must not have had any form of tuition or coaching by the adjudicator after the 1st of January. (Summer/Winter School N/A but the committee must be informed of this beforehand.)

Competitors perform at their own risk during the festival.

Competitors must still be a student at the school stated on the entry form. If the competitor is a student of more than one school this must be stated on the entry form.

In the case of unforeseen circumstances, the Committee reserves the right to appoint an alternative adjudicator.

The Committee reserves the right to refuse entry. The Committee reserves the right to disqualify anyone in breach of the rules including tapping anywhere in the theatre other than on stage.

Adjudicator's decisions are final. No competitor is to communicate with the adjudicator during the festival.

Prizes will be announced at the completion of each section. Only Award/Championship entrants are required to stay in costume and stand on stage at the end of the sections.

Protests are to be made in writing to the Committee within 10 minutes of the completion of the section in question with a fee of \$20.00 which will be forfeited if the protest is deemed frivolous.

Aggregate trophies shall be awarded in all age groups. Aggregate Points for all solos sections including Special sections (Not VCE and VET sections) will be awarded as follows:

Open sections: 1st - 5 points, 2nd - 3 points, 3rd - 2 points, HM - 1 point
